

#### From Our Vicar

Beloved OLPH Families,

Lent is a time to focus on Jesus' suffering and death, preparing for the joy of his Resurrection. The emphasis on suffering is because Jesus saved us through his own suffering on the cross, where love and pain met. The Church, as the Body of Christ, participates in this, and we might be called to suffer out of love, helping others just as different parts of a system support each other.

Traditionally, the Church advocates three key practices during Lent: prayer, fasting, and almsgiving. Far more than mere rituals, these actions are regarded as transformative elements that engage both the mind and body, addressing both the internal and external aspects of an individual's life. In adhering to these practices, we are encouraged to draw nearer to the Lord, recognizing Him as the central force guiding and giving purpose to our life.

With Love, Rijoachan
